### Stands Partnership at Market 21

The European City of Heritage and Sustainable Tourism offers institutions, companies and NGOs concerned by sustainable development a technical and financial partnership enabling them to value their best practices in this field, in various forms, during this event.

It also offers the opportunity to participate in this event from the animation. Indeed, one of the objectives of the Web Sustainable Tourism Days - WSTDays<sup>©</sup> is to welcome all types of public, that is to say professional, non-professional, gryséliens (ie inhabitants of Gréoux les Bains), European, International ....
